

Visit to Kiel

Göteborg Norra IWC

2024-09-26

On the ferry to Kiel we entertained ourselves with a music quiz after dinner

Reception and lunch in Ingrid's beautiful home

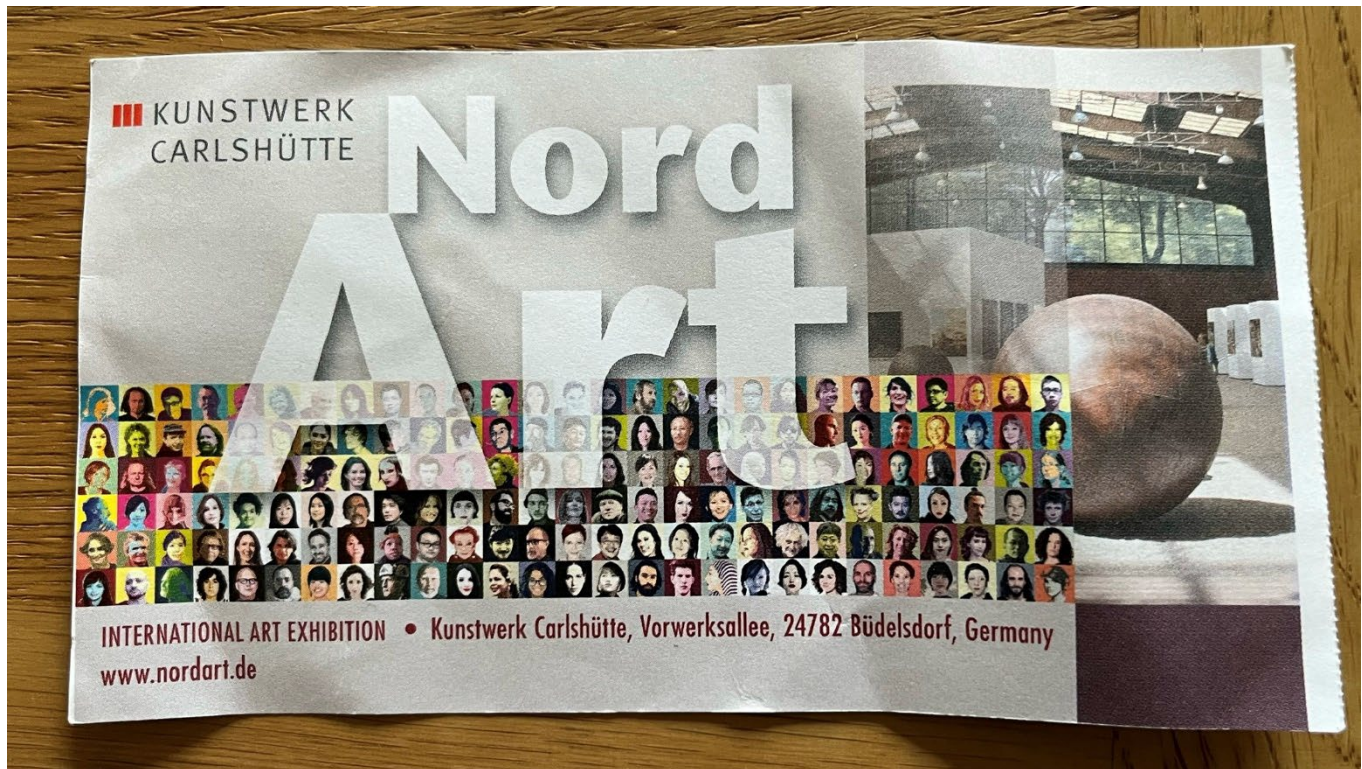

The curry soup, the cheeses and the dessert was delicious

The weather was not with us, but
we got some new friends from
Skærbæk IWC

Here are some pictures from the exhibition

There were many statues....

Street dancer by
Richard Brixel a
Swedish artist

Not hard to
name this
one ??

Human legs

The Mongolian pavilion

And now we head indoors to the large exhibition hall

Our guide at a steel wire work

Sad injured dogs

Two dimensions of the same work of art

Flying flies

Not allowed to leave China naked

Part of the human life cycle

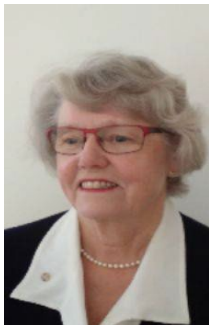

Parts of the audience

Coffee time and time to leave

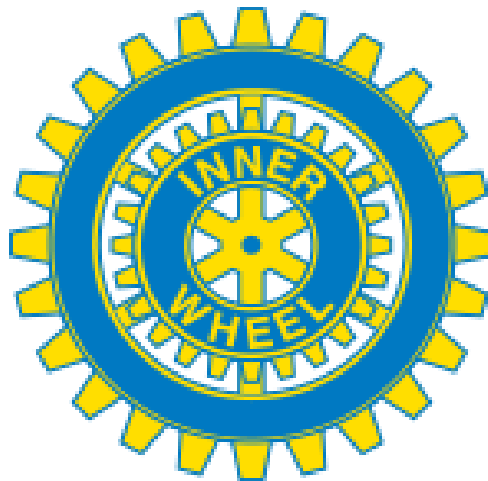

A big and warm thank
you to all of you in
Kiel IWC for a
pleasant and
interesting day from
all of us
