MS PRIMADONNA

The luxurious cruise liner, the only one on the Danube to fly the Austrian flag, was built in Germany in 1998 and underwent a general overhaul in 2009.

The spacious facilities – the hotel hall is 60 meters long – is a lively place to meet people and socialise and includes the panoramic restaurant “Primo Gusto”, the panoramic bar “Primavera”, the Danube arena “Prima Vista” and the theatre “Primo Teatro”. There is air conditioning on the entire ship (and are individually adjustable in the cabins). The second largest Danube cruise ship is 113.5 meters long and 17,4 meters wide. The architecture makes a stay on the MS Primadonna a first class experience, with the interesting double hull design (catamaran), the 9 meter high bow vitrification, as well as a glass floor at the reception, which draws one’s attention to the underwater world. There are a Jacuzzi, sun chairs and cosy seating arrangements on the outdoor deck. The spa area offers a large, indoor Jacuzzi, a Kneipp water-treading basin and a sauna. Massages are available by advance reservation.

Cabins

All 80 Cabins on the MS Primadonna are outside cabins with individually adjustable air conditioning, with shower and toilet, hair dryer, television, telephone, safe, mini-bar and spacious wardrobes. The main deck cabins are approx. 11,5m² and are equipped with a small, unopenable porthole (cabins on main deck ASTERN: approx. 9,5 m² - bunk bed – ideal for single use). The spacious cabins on the upper and promenade decks are approx. 16,5 m² and are equipped with a balcony with bench seat and writing desk.

Gastronomy

Sophisticated, international standard with specialities of the Danube countries, especially Viennese cuisine. The meals are prepared primarily with organic ingredients. In the morning, there is an American breakfast buffet with an organic food corner. For lunch, there is a light, 3-course menu or a packed lunch for cyclers. In the evening there is a 4-course. In late afternoon, we offer tea or coffee and cake. Additionally we offer a “Primadonna snack” in late evening.
