

I hope that, using the 2018-19 Theme, we will all 'plant good seeds' to ensure that both Inner Wheel and its members continue to make a difference, and flourish around the world.

The Venus Symbol – Empower and Evolve

The symbol for “woman” or “female” was named after the Goddess Venus and has become the symbol denoting all things female.

The circle, or in our case the wheel, denotes the inclusive nature of our organisation. Here there is no exclusion. All welcome, and ever-expanding

The cross (added in the 16th century) rests beneath the womb (represented by the circle in the Venus symbol). The location of the cross under the circle indicates all are birthed from an inclusive, loving womb.

On the top half we feel the openness and inclusivity (circle). Yet, on the lower half we experience a narrowing, or a “coming to the crux.” Visually you can see opening and closing,

Through the symbol and the theme there is an acknowledgement of the great need for women to change the world through their own empowerment and evolution.
