Database Update Reminder and Other Items

DIRECTORY 2019-2020

Although we are only half way through this current IW year we are always having to plan ahead. Please can you update your Club, District, National level contact details for the IW year 2019-2020 by 1 May 2019.

1) Go to Member Login at top of the IIW home page, enter your Club, District, National or NR Username and password. Make any changes required to the information held on the database and submit them.

Remember the change does not show up immediately – it comes to IIW for verification before it is approved.

2) If you cannot manage this, organise with your District or National Body for them to make the changes for you.

3) OR E-mail change to IIW for us to enter for you onto the system.

If no changes are made, the information we have already on the system will continue to be used in 2019-20. We do not know contact details have changed unless you tell us they have!

Please note

BOARD DIRECTOR NOMINATION

PRINTING ERRORS IN SOME DATES OF OFFICES HELD*

CORRECTION TO DIRECTORY 2018-2019
