Dear Joanne,

Inner Wheel in Sweden would like to send our warmest sympathies and heartfelt condolences to you.

We were sorry and shocked to learn about the attack on the mosques that took place in Christchurch during the Friday service.

The attackers were apparently inspired by an attack in Stockholm and referred to that attack.

We think about you at this difficult time and our thoughts go to the families that have lost a dear and beloved member in this tragedy.

My warmest regards

In friendship

Dear Ingelög

Thank you so much for your message. We in New Zealand are absolutely stunned by this heinous act that has happened in our peaceful, inclusive country.

We have sent our love and support to the Muslim community and have been very heartened by all the messages we have received from our Inner Wheel sisters around the world.

With love and friendship

Darlene
