NOTE

- The European Meeting is intended for the National Representatives of the European Countries and one other experienced member on National level (usually the DNR or a PNR). The National Representatives of the following European Countries are invited: Austria, Belgium/Luxembourg, Bulgaria, Croatia, Cyprus,

Denmark, FAMAT, Finland, Germany, Great Britain & Ireland, Greece, Italy, The Netherlands, N. Macedonia, Norway, Romania, Sweden, Switzerland, Turkey and furthermore the DC of Iceland.

- If you are not the National Representative 2020-21, may we ask that you forward this e-mail to the right person. We would also appreciate if you forward said person's name and e-mail address to us in order to have an update of the persons to be contacted.
- If you are the National Representative 2020-21 and are unable to attend the European Meeting would it be possible for you to send a Deputy so that your country is represented.

If you have any points that you would like to be discussed and added to the Agenda, please forward them to us as soon as possible and no later than 31st of July 2020.

This is a preliminary invitation to see if all e-mail addresses function and also to give you time to inform your successor if you don't hold your original position any longer. The proposed Program and Agenda will be sent in due course. Let's also practice the same habits we adopted in Stavanger two years ago: No personal gifts to the attendants and organizers, only business cards. If we can come up with a good cause, let's rather collect money to support the Pediatric Clinic of Rhodes General Hospital, buying seats for the companions (mothers) of the children patients.

The President and members of IWC of Rhodes, the oldest and strongest in Greece will help in the organization of the delegates' and outerwheelers' program and stay to their beautiful island.

We are looking forward to hearing from you in near future and to welcoming you in the 14th IW Inner Wheel European Meeting.
