Dear members of the IYW Executive Committee,
IIW Board Directors and National Representatives,

Worldwide invitation to every Inner Wheel member:

Zoom 1 Apr 2026: "Your Voice Started the Movement"

Zoom 28 Apr 2026: "Our Many Voices Can Change the World"

First and foremost, please extend our sincerest gratitude to the members of the Clubs/Districts/National Governing Body under your purview for their outstanding initiatives and inspiring participation in the 2025 Inner Wheel global campaign of Orange the World.

2024 was a start but Orange the World 2025 was a burst of incredible power from our global Inner Wheel community. Through strong engagement, meaningful action, deep commitment, and heartfelt passion, members around the world have shown what is possible when we truly UNITE in action.

We witnessed outstanding initiatives and inspiring participation from a remarkable number of Clubs and Districts. The global map on our webpage glowed orange with a long the list of Clubs from every time zone on the globe. It was a powerful symbol of our shared dedication and collective strength.

As coordinators, the Inner Wheel UNiTE team remains fully committed to build up on this momentum. Together, we will continue to make impact to end violence against women and girls by empowering Clubs, Districts, and National Governing Bodies. With one voice, we can raise awareness. Together in unity, our voices can inspire change in our communities to build a world that is safe for all women and girls.

We are confident you share our belief that we must move forward, stand firm, and commit ourselves for a better future for the next generation. Your encouragement and support are vital.

We kindly ask you to announce this invitation (and translate it if needed). Please encourage at least one representative member from every Club to attend both the Zoom sessions:

1 April 2026, 9 AM (London). [Zoom Link to join.](#)

28 April 2026, 9 AM (London). [Zoom link to join.](#)
ID 882 4049 3541 Passcode: 279372

Each session is about an hour long and will focus on specific topics, including a video. A few speakers from Clubs will be invited to share tips and insights of their local campaign activities. We will also explore the plans for the 2026 campaign.

Together, our voices are stronger. Together, we create change.

Thank you, and we look forward to seeing you on Zoom!

Anita Meerdink

IW UNiTE Team Coordinator
